

 **ENTRY POINT**

Use Quito as your gateway to Ecuador for a comfortable and secure start.

 **SAFETY**

Due to their remoteness and strict regulations, the Galápagos Islands and the Ecuadorian Amazon are considered some of the safest areas.

 **TRUSTED TOUR OPERATORS**

Local tour operators provide professional services, ensuring safety through their extensive local knowledge.

TRAVEL ADVICE

Exercise common sense precautions such as using official taxis or ride-hailing services, avoiding traveling alone at night, and keeping personal belongings secure.

 **ASSURANCE**

Despite concerns, travelers can safely explore Ecuador with proper precautions and accurate information.
