 Popular spots: **Darwin and Wolf Islands**

**Diving Day Tours**

Popular Spots: Gordon Rocks, Bartolomé, Kicker Rock, North Seymour, Floreana

Enjoy daylong dives

**LODGING**

**Hotel-based vacations:**

Inviting, dates &amp; budget-friendly.

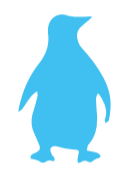

**GALÁPAGOS WATER TEMPERATURE**

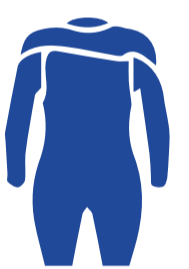

**Darwin & Wolf:**

20°C - 25°C (68°F - 77°F)

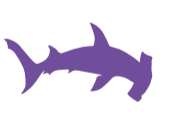

**Isabela & Fernandina:**

As low as 17°C (62.6°F)

**Highlight:** Only place to see **penguins** in the Americas' southern hemisphere!

**GEAR TIP**
**7mm wetsuits** are standard.

**Dry Suit?** Best for colder waters around **Isabela & Fernandina**, but not mandatory.

**BEST TIME TO DIVE**

**Year-Round Diving:** Galápagos is always in season!

**December to May:** Warm waters & abundant **hammerhead sharks**.

**June to November:** Ideal for spotting **giant whale sharks**.

**Weather:** Two distinct seasons - **wet and dry**, each with its own charm.

**CURRENTS & MARINE LIFE**

Convergence of three major currents:

- **Humboldt** (cold)
- **Panama** (mild & oxygen-rich)
- **Cromwell** (nutrient-rich)

**Result:** Rich marine life & some strong currents.

**DIVER REQUIREMENTS**

**Galaxy Diver I / II:** Advanced Open Water Certification + **50 dives** experience.
